

Kelsey Webb & Pat Kindig

JUNE 8, 2013

Kelsey and Pat's "An Ohio Stately Wedding" was scarlet and gray from start to finish. They held their ceremony at the Ohio Statehouse and their reception at the Horseshoe. Each table was designated with a different Ohio State opponent, and guests received stadium cups filled with ballgame-appropriate snacks. Kelsey—who Columbusites know for her work on WNCI's Morning Zoo—carried a bold red rose bouquet, and the groomsmen received footballs signed by Archie Griffin.
