THEIR STORY

BRIDE Stefanie Dunlap, 30, works in compliance at J.P. Morgan **GROOM** Nick Benner, 33, an architectural designer at 10 Design **HOW THEY MET** Playing rugby at Ohio State **WEDDING STYLE** Stephanie and Nick planned their timeless day around a classic color palette of ivory, navy blue and gray. —MO

Stefanie's simple, classic style was reflected in everything from the cake to her gown. She wore a fitted, ivory chiffon V-neck gown with touches of lace and a pearl belt. Nick called upon his graphic design experience and designed their custom invitation suite himself. Their logo, which they used throughout their stationery, incorporated the outline of Ohio (their home state) and the flag of Hong Kong (where they live now).

STEFANIE
&
NICK

Stefanie and Nick had their first dance to “Into the Mystic” by Van Morrison. “We have different taste in music, so we were happy to agree on this one!” Stefanie says.
